

**Chestnut Health (CHC)** is a multi-specialty organization whose objective is to provide the entire rehabilitation continuum of care through all phases: from the acute care hospital to the post-acute stay to the discharge home. Chestnut Health offers comprehensive medical solutions in skilled nursing facilities and assisted living facilities led by an accomplished team with more than 40 years of combined experience in the medical field. Facilities can turn to us for reliable rehabilitation solutions.

Our aim is to improve health, restore functional ability, reduce pain and enhance quality of life through a comprehensive approach. Multidisciplinary approach including psychiatric evaluations, psychosocial assessment, nursing assessment, laboratory testing, and psychological evaluations. We provide individualized treatment plans for our patients and residents.
